About Me

I am a BSIT student at Datamex College of Saint Adeline specializing in technical support. I want to turn classroom learning into useful, well-documented solutions, and I am interested in how websites, databases, data, and support processes work together to solve everyday problems.

Education

Datamex College Of Saint Adeline
College

Paranaque National High School
Senior HIgh School

San Antonio National High School
High School

fourth Estate Elementary School
Grade School
